

Do you know a potential Rotary Global Grant Scholar?

Lien Trinh, the first recipient of a Rotary District 9800 Global Grant Scholarship, completed her studies at the London School of Hygiene & Tropical Medicine for the Master of Public Health degree and has worked with the Rotary Club of Melbourne to establish End Trachoma 2020.

Lien holds a Master's Degree in Optometry. Her professional goal is to contribute to the development of eye care programs in developing countries to reduce the prevalence of avoidable blindness and vision impairment. Her studies build on her work with Australian indigenous communities and volunteer work in Sri Lanka, PNG and Vietnam.
